I've been thinking for a while

About Location full of Adjective

And the Girl or boy who comes to mow it

Every Event Part of day.

Girl or boy knows that, once Girl or boy done it,

Girl or boy have to do it over;

Girl or boy have to mow it down again,

And do it soon.

But the Adjective doesn't know it--

The Adjective only Adjective

All it knows to do

Is what Location had in Adjective.

It only knows to flower

No matter what besets it

And hope that it is Adjective

For willing Noun to find.

We, too, should be like Adjective

Everyone should Adjective to Noun

No matter what Adjective us

Or _____our day.

For the _____just _____on shining

And the _____just _____on _____

And the _____keeps on growing

In the same _____way.
