England		
U.k		
Dear England,		
We did go though a fight or two and I need a bit of alone time. I eat what I eat and you do what you do. I was		

angry at you yesterday, but I decided to get over it. But when I saw you with Hussain I got angry and decided to

stay alone. So I am officially braking up with you. I need air and I am only thirteen so I need to be alone. We had

Letter of brake up

good

nes together but, after that mistake we will no longer be together. We can still be friends. It's not that I hate you	
but it's your mistake. So fare well and see you soon.	
ncerely not yours at all,	
olonies.
