# A Strange Occurance

I'm \_\_\_\_\_(LastName), and this is what happened. I went out to (Store) and asked a random (kind of person) to wash my (Plural Noun). It took me (number) (Measurement of time) to get him to do it. I (verb ending in -ed) home and saw my house was covered in (plural noun)! I tried getting rid of them by yelling "(A line of Quote)"; and banging together (plural noun). A police car pulled up to my house and crushed my (Something you put in a yard). The police officer asked what happened and I just made a (noise) noise. The police officer looked up at the house and immediately pulled out a (Kind of container) and poured (liquid) on my house. I just stood there (verb ending in -ing) my (body part). When he was done, I went inside and made him some (adjective) (food) for on the road. I waved goodbye and went to sleep in the (room).
