

basketball

1. First Name _____
2. City _____
3. Animal Plural _____
4. Animal _____
5. Noun _____

basketball

Once upon a time there was a boy named First name . He wants to play for the City
 Animal plural . He went to the tryouts and found that he was far better than any other Animal out
there. So, he played his hardest and was fast as animal . He also could shoot from the perimeter and slam
it home from time to time. Maybe it was because Noun was so big.
