# Half a penny a rock

and Grandma needed help to get the \_\_\_\_\_ ready for new grass. \_\_\_\_\_ asked \_\_\_\_\_  
\_\_\_\_\_ and \_\_\_\_\_ for help to clear the yard of rocks. He said he would pay them one penny for  
every two rocks they picked up from the yard. On the first day \_\_\_\_\_ and \_\_\_\_\_ worked  
very hard to pick up the \_\_\_\_\_. They placed the \_\_\_\_\_ into a big pile on the side of the house.  
\_\_\_\_\_ paid the kids and made a new pile for the rocks. The next day \_\_\_\_\_ had a very  
\_\_\_\_\_ idea. It was hard to move the rocks from the \_\_\_\_\_ into a new pile each day. It would  
be easier and \_\_\_\_\_ and \_\_\_\_\_ could make lots more money if they moved the rocks  
from the pile \_\_\_\_\_ had already paid them from. \_\_\_\_\_ told \_\_\_\_\_ about her  
\_\_\_\_\_ idea. He thought it was a good idea. \_\_\_\_\_ came to pay the kids for their work at the  
end of the day. The pile he had made was much smaller. \_\_\_\_\_ and \_\_\_\_\_ hadn't been  
very \_\_\_\_\_ at all.
