my christmas vacation

Would you like to spend your Christmas day _____
_____pool, ping pong, _____
games and _____games? This is how I spend my Christmas vacation. I go to my _____
_____house in Iowa. We leave on Christmas morning, depending on the snow. One year we didn't
get to go because there was too much snow. It almost takes my me and my _____all day to get there.

When we arrive in Iowa all I see is _____
_____lives in a big white three story
_____. The _____is decorated with bright colored lights on the outside. When you walk inside
it's huge and open. Her Christmas tree is decorated with ornaments and blue and white lights. To the side of
the house is a long narrow indoor _____with a hot tub. It's fun and exciting to visit _____
_____and visit with all my Aunts and Uncles and cousins I don't get to see throughout the year.

There are a lot of _____going on at _____house. _____is in the _____cooking.
You can hear food _____and _____and _____and
_____visiting while he cooks. _____yells, "come and get it" and we all go and get what we
want to eat. There is always lots of _____. Ham, potatoes, baked _____pizza, chocolate and
cherry pies. My favorite is the _____. The _____pieces are big and moist, sometimes I get the
leg. I also like mashed potatoes with chicken gravy and _____cherry pie.

After

we eat, we open Christmas presents. The presents I get come in all types of sizes, some are small and some are big. Some have several unwrapped gifts in one big box. The Christmas presents are wrapped in blue and white snowflakes, and black and white penguins. Birthday presents are also a part of my Christmas. When we sit down to unwrap our presents, you can hear the excitement of everyone in the room. Everyone opens their presents all at once. You can hear the paper tearing and all the ohs and ahs.

I enjoy Christmas each year at Grandma Whitehairs house. A boy needs to get out of town and go in a vacation each year and Grandma's house is the perfect place to go.
