## The Romantic Evening With The Boyfriend and Gramma

Dear Diary,

Today me and \_\_\_\_\_\_\_were talking in (the) girls'bathroom, and \_\_\_\_\_\_suggested we

would go to his grandmas'; house to play a game. I agreed, hoping we could get some alone time.

Well diary, it turns out that Grandma <u>boys' last name</u> is (a) <u>Sexuality</u> and was <u>Adjective (ly)</u>

looking into my <u>Body part (plural)</u> the way my boyfriend always does. She offered me some <u>Food</u>

in a <u>Adjective</u> tone of voice, and <u>boy's name</u> looked <u>Mood</u>.

Grandma <u>boys' last name</u> had some of her friends over and suggested we play spin the bottle, which got me excited because this would give me a chance to get my first kiss from <u>boy's name</u>.

It didn't exactly turn out that way, diary... I had to kiss Grandma <u>boys' last name</u> first and she swung me around in her <u>Body part (plural)</u> before landing a <u>Adjective</u> kiss on me, and french <u>Past tense</u> <u>werb</u> my <u>Body part</u>. I had to <u>Verb</u> <u>Number</u> other senior citizens afterward including a <u>Gender</u> who I ended up wearing <u>His/her</u> <u>Oral object</u>.

I decided to spin the bottle one last time and it landed on <u>boy's name</u> He swung me around, pulled me close to his body, (I could feel his <u>Body part</u> through his <u>Clothine</u> looked <u>Adjective</u> into my eyes, and started french kissing me, his <u>Body part</u> wrapping around mine and his <u>Adjective</u> <u>Body part (plural)</u> wrapped <u>Adjective (ly)</u> around me. I <u>Verb</u> my <u>body part (plural)</u> through his <u>Adjective</u> hair, and I was <u>Mood</u> to see him pull away. I opened my mouth to ask what was wrong, and he <u>Past tense verb</u> in my <u>Body part</u> and I SWALLOWED IT!!!

I couldn't get the	Adjective	taste of	boy's name	Noun	_out of my	Body part	but I

was <u>Mood</u> for my first kiss!
