Talking Dog

once there was a Animal who talked. he didn't know how to shut his Noun. he lived at
Proper noun palace and performs comedy all day and night for the First name of djs. but then one
day the First name hired a Animal to replace the Animal. he cried and cried like a little
baby. the Animal ran away to a far away place and was never seen again.

the point is: if you talk to much and lose your Noun you will be fired off the circus team.
