# selfish holidays

once in the future, a mayor named \_\_\_\_\_ First name wanted to make a holiday for himself you know. he called up his \_\_\_\_\_ Noun to help him out, and \_\_\_\_\_ First name \_\_\_\_\_ Noun agreed with him without a doubt. so now in their time, \_\_\_\_\_ Year another holiday came out for \_\_\_\_\_ First name. \_\_\_\_\_ First name is on october 5, while \_\_\_\_\_ First name is on september 6. on their holidays, they get presents more. but by \_\_\_\_\_ Year their holidays ended and they were put in jail.

the point: if \_\_\_\_\_ First name are too greedy, you may have some bad \_\_\_\_\_ Noun.
