The \$100 000 painting of my very great grandma

In my basement there sits a very old painting. This is the story of how I found it and what it is painted of.

One day my mom and dad left for the airport, and of course I was home alone. They felt i was responsible, so left me at home. In a way i was sorta happy, because it was that of the mean babysitter, Mrs. _____ Last name _____.

Back to the story.

I was _____ Feeling _____ so went down to the basement. The basement was barely ever visited, only maybe once a year, but only to put stuff down there for storage. By the way i am only 9 years old so it was sort of scary. When i got down to the bottom of the stairs I saw a whole bunch of stuff. Boxes and bags of books, CDs,

_____ Item ending in 's' _____ old toys, photos, _____ Item ending in 's' _____ and alot more. Then I came to a _____ Size' _____ box.

I had no idea what was inside so I opened it. It was a painting. At the bottom it had a gold plaque that said 'Mia Revue 1846-1912'. It also said '\$100 000'. That was my grandma! My very great grandma. It must be 100-170 years old. It was a portrait of her sitting in a rocking chair reading a book. I put it back in the box and looked at other stuff. About an hour later I went upstairs and watched T.V. That was how I found the painting.
