Mummy's Christmas Folly

It was a stormy night and Mummy was braving the _____
Noun_____ in search of the the elusive Bamboo thingy-
ma-boob. She had _____
Past tense verb_____ and _____
Past tense verb_____ about what to get _____
Noun_____ for

Noun_____ and had finally remembered him mentioned something about a Bamboo and something about a
thingy-ma-boob. So, she set of in search of that. Arriving at the _____
Noun_____ she _____
Past tense verb_____ around
looking at all of the _____
Noun_____ and _____
Noun_____. It was a long time before someone asked her if she

Past tense verb_____ anything. While she _____
Past tense verb_____ she took some pictures on the display

Noun_____ and drove the remote control _____
Noun_____ around the store at breakneck speeds. It was when she
not-so-accidently drove the _____
Noun_____ into the _____
Noun_____ leg that he finally asked if he could help her
with something. Mummy looked sheepishly at the remote control in her hand and said, "I need a Bamboo thingy-
ma-boob..". The _____
Noun_____ looked at her oddly and said that he wasn't sure what she was talking about, so he
was going to get the _____
Noun_____. The _____
Noun_____ didn't know what she was talking about either and so he
called the district _____
Noun_____. 3 calls and 5 transfers later, the store _____
Noun_____ figured out what it
was mom was talking about and told her that they had sold out the day before. ;

All this to say - you'll get your thingy-ma-boob after Christmas, when they have it in. Kthnxbye.
