Night before christmas

Twas the night before _____ Event when all through the _____ Location

Not a creature was stirring, not even a mouse.

The stockings were hung by the chimney with care,

In hopes that St Nicholas soon would be there.

The _____ Noun were nestled all snug in their _____ Noun

While visions of sugar-plums danced in their heads.

And mamma in her â??kerchief, and I in my cap,

Had just settled our brains for a long winterâ??s nap.

When out on the lawn there arose such a clatter,

I sprang from the bed to see what was the matter.

Away to the window I flew like a flash,

Tore open the shutters and threw up the sash.

The Noun on the breast of the new-fallen snow

Gave the lustre of mid-day to objects below.

When, what to my wondering eyes should appear,

But a miniature sleigh, and eight tinny reindeer.

With a little old driver, so lively and quick,

I knew in a moment it must be St First name.

More rapid than Noun his coursers they came,

And he whistled, and shouted, and called them by name!
