Melissa Word Libs

Melissa - you are one of my all time Adjective people. You are one of Number people who can ALWAYS make me Adjective. (The other 2 know who they are). And not just because you are the also the only person I have ever accidentally stolen a Noun with or purposefully gone with to a Event Event You are Adjective person, a kind friend and nice to Plural noun (which makes up for me not really being into animals). You care about important things, yet NO ONE talks about Number better than Pronoun (except maybe me).

SO - Sister Wife - Have a happy Year birthday - so glad I could be part of your Event
