# I Love (Insert Crush Name Here)

I am in love with a boy named Boy's name. It makes me Emotion though, because he has a Person (girlfriend boyfriend etc.). I just want one date with him. A Verb Romantic verb in the Weather under the Something you can be under with a Adjective Romantic verb on the Body part.

Anyway, he's EXTREMELY cute and talented. I wrote him a letter, but never sent it to him. This is what it said:

Dear Same boy's name

I Emotion you. I know you don't Same emotion me, but someday, please give me a chance. You're really Adjective Adjective and Talent with 'great' in front (great singer great artist etc).

Letter ending (love from your's truly etc)

Your name

Sigh

...Teen love is a confuzzling thing...
