# Fantasy

Andy and Laura went out for an evening on the town. They checked into their favorite hotel, the \_\_\_\_\_  
and headed down to the \_\_\_\_\_. After a couple of \_\_\_\_\_ two men came in and sat next to  
Laura. Andy headed to the bathroom. While he was gone, the man next to Laura began to touch her  
\_\_\_\_\_ under the bar. He soon realized that she was not wearing \_\_\_\_\_. Within minutes  
he was kissing her on the \_\_\_\_\_. When Andy returned, Laura told Andy that the men wanted to take  
her back to the hotel room and give her a night to remember.

In the elevator, the two men caressed Laura. Once in the hotel room, the two men began to pull Laura's  
\_\_\_\_\_ off. It turned out she was only wearing a \_\_\_\_\_ under her dress. Within minutes,  
she was laying on the bed naked with \_\_\_\_\_ rubbing all over her. She had \_\_\_\_\_  
\_\_\_\_\_ in her mouth while \_\_\_\_\_ slowly rubbed her hot pussy and slowly  
slid his \_\_\_\_\_ into her ass. Laura moaned in excitement. He added a second \_\_\_\_\_. The  
without warning, he pulled her away and starting ramming his huge \_\_\_\_\_ into Laura's wet pussy.  
While he was doing this, the other guy continued to finger her tight ass. Laura begged to have a cock in her  
\_\_\_\_\_ while being fucked by the other guy. Before long, both cocks were in Laura. As she came, both  
men climaxed in her and left her exhausted on the \_\_\_\_\_.
