Mikel's Life

Mikel may seem to be an ordinary Noun but that is far from the truth. He is actually a Adjective Noun and works for the legendary superhero league, The Adjective Alliance.

He has the incredible power to Verb Plural noun with his bare Plural noun . Mikel once saved the city of Location from a 50-foot tall Noun using only a Noun and a half-eaten Food item . Everybody should be grateful that Mikel uses his powers for Noun instead of evil.

Mikel is the Adjective hero of all time!
