# My truest friend :]

My Adjective Noun is someone that Adverb doesn't Verb to Location with me. So I don't get to Verb them often. But that doesn't stop First name from Verb ending in ing one of my favorite Plural noun ever! I cannot Verb Adjective Plural noun! They are the worst. :( Which is why first name is my best Noun they Adverb aren't the least bit Adjective. But I'm Adjective when it comes to Plural noun, if I ever feel Adjective, I'll begin to Verb respect for that person.

And it has taken many Plural noun to find the one Noun that never Past tense verb me or never made me feel Adjective, and that Noun just happens to be a(n) Type of person. I love them tons and would Verb anything for them! I can Verb to them for anything and it is the best feeling in the world to Verb that somebody is there for you.

Right now though, my truest friend is First name, they're Number, Number years older than me. We usually Verb Plural noun together Adverb, because I'm a Adjective person

and started that. And we \_\_\_\_\_<sup>adverb</sup> \_\_\_\_\_<sup>Verb</sup> at the end of the day and it's \_\_\_\_\_<sup>Adjective</sup> because we  
can \_\_\_\_\_<sup>Verb</sup> ourselves and not \_\_\_\_\_<sup>Verb</sup> what other people \_\_\_\_\_<sup>Verb</sup>, especially if they're  
\_\_\_\_\_<sup>Plural noun</sup> and are \_\_\_\_\_<sup>Adjective</sup> and \_\_\_\_\_<sup>Verb</sup> at us for being ourselves. :].
