I would like this to happen

One day it was very hot outside and I sat down on a bench after walking all after noon. I sat and watched the people who passed me. there was an _____Adjective_____Type of person ex: freak_____who looked like he wanted to steal my _____Noun_____. I kept an eye on it. In the distance I saw a short figure of a man who came closer. i noticed he had a _____Adjective_____Noun_____Plural noun_____covering his _____Bodypart_____and an _____Noun_____on his right _____Bodypart_____. For clothing he was wearing a _____Color_____sports _____Artice of clothing_____and top and also _____Color_____(plural)artice_of_clothing_____. It was by golly _____Famous male person_____. I was shocked and I sayed hello and shaked his hand. he sat down beside me and I touched _____Bodypart_____. I also _____Verb_____as well. It was delightful, I was having the most wonderful little chat with him. But all of a sudden a green 10 foot _____animal_____ran across the street and a big bus ran over it. I felt so bad that I _____Past tense verb_____. _____Same famous male person_____looked upset too. Then a _____Adjective_____ _____Type of person ex: freak_____walked by and _____Past tense verb_____. _____Same famous male person_____stood up and his _____Artice of clothing_____ripped and then a _____Adjective_____Heavy object_____came from the sky and landed on his head. I shrieked and sayed ' should I call the paramedics?' ' Yes!' he said and I came over and _____Past tense verb_____his head . Pretty soon the ambulence came and I went along with them in the ambulence. Then there was

traffic and a _____Type of person ex: freak_____was crossing the street taking 5 hours. then that man pulled out a gun and shot at the ambulence. The ambulence driver was shot dead and I didn't know what to do _____Same famous male person_____head was smashed open so I took the wheel. I was _____an age_____but I didn't have my license yet . I just hoped the cops wouldn't catch onto me. Then I noticed i had taken the wrong turn and was driving on a bridge. Then an _____Sea animal_____flew over the bridge and crashed into the windshield and broke the glass. I lost control of the car and it drove off the bridge landing in the water. I got out and swam to the shore carrying _____Same famous male person_____. Then it was late at night and I fell asleep and a giant tree branch snapped and landed on me and that was the end of me. but I was lucky to meet _____Same famous male person_____. his.
