## I would like this to happen

One day it was very hot outside and I sat down on a bench after walking all after noon. I sat and watched the
people who passed me. there was anAdjective
steal my I kept an eye on it. In the distance I saw a short figure of a man who came closer. i
noticed he had a <u>Adjective</u> <u>Noun</u> <u>Plural noun</u> <u>covering his</u> <u>Bodypart</u> and an
Noun on his right Bodypart . For clothing he was wearing a Color sports
and top and alsocolor It was by golly
Famous male person . I was shocked and I sayed hello and shaked his hand. he sat down beside me and I
touched I alsoas well. It was delightful, I was having the most wonderful little
chat with him. But all of a sudden a green 10 footran across the street and a big bus ran over it. l
felt so bad that I Past tense verb Same famous male person looked upset too. Then a Adjective
Type of person ex: freak walked by and Past tense verb . Same famous male person stood up and his
ripped and then aAdjective Heavy objectcame from the sky and landed on
his head. I shrieked and sayed 'should I call the paramedics?' 'Yes!' he said and I came over and
his head . Pretty soon the ambulence came and I went along with them in the ambulence. Then there

traffic and awas crossing the street taking 5 hours. then that man pulled out a gun and
shot at the ambulence. The ambulence driver was shot dead and I didn't know what to do
head was smashed open so I took the wheel. I wasbut I didn't have my license yet . I
just hoped the cops wouldn't catch onto me. Then I noticed i had taken the wrong turn and was driving on a
bridge. Then anflew over the bridge and crashed into the windshield and broke the glass. I lost
control of the car and it drove off the bridge landing in the water. I got out and swam to the shore carrying
Same famous male person. Then it was late at night and I fell asleep and a giant tree branch snapped and landed
on me and that was the end of me. but I was lucky to meet his.
