## crazy dream

My friend \_\_\_\_\_<sup>Noun</sup> can PLaY the \_\_\_\_\_<sup>Noun</sup> pretty good, but today i'm going to learn how..

"First, you have to know the \_\_\_\_\_<sup>Noun</sup> there are four of them, A,D,G,and C.."; Said Amber.

Alright, this is getting REALLY \_\_\_\_\_<sup>Noun</sup> I think i'm goig to fall \_\_\_\_\_<sup>Noun</sup>

I drifted off into a deep \_\_\_\_\_<sup>Noun</sup> as all of these images of \_\_\_\_\_<sup>Noun</sup> and \_\_\_\_\_<sup>Noun</sup> appeared. Then

suddenly i was holding a \_\_\_\_\_<sup>Noun</sup> in my hand and i didn't know what i was doing! There was a huge

\_\_\_\_\_<sup>Noun</sup> around me, people playing \_\_\_\_\_<sup>Noun</sup> \_\_\_\_\_<sup>Noun</sup> and a big \_\_\_\_\_<sup>Noun</sup> behind me! I

didn't know how to play abd i could see an audience to my left. While everyone was playing something that

sounded oddly \_\_\_\_\_<sup>Noun</sup> I was just sitting there like a \_\_\_\_\_<sup>Noun</sup> Then all of it started to \_\_\_\_\_<sup>Noun</sup>

away, as if it were being sucked into some kind of \_\_\_\_\_<sup>Noun</sup> that i wasn't apart of. And i could still hear the

strange, like backround \_\_\_\_\_<sup>Noun</sup>. Then as my \_\_\_\_\_<sup>Noun</sup> opened I saw \_\_\_\_\_<sup>Noun</sup> playing 'Ode To

Joy'; like a pro! i was \_\_\_\_\_<sup>Noun</sup> by the sound, the fast finger movements, and the swift bow lifts! I wanted to

learn how to do it as soon as posible! And i never got \_\_\_\_\_<sup>Noun</sup> again!
