A Regular Day at Hogwarts (Or Not)

One day at _____ Witchcraft and Wizardry school, _____ and _____ were just going to classes like a regular day, but then they found out they had a new defence against the dark arts teacher! His name was Professor _____ and he was as silly as _____ was smart! When everyone was in the classroom, Pro. _____ said, 'I am your new defence against the dark arts teacher. Today we will start with the spell against the dreaded.....LAMP! _____ instantly shot up her hand. 'Pro. _____ the lamp is not dreaded. They are just a lamp that provides light.' 'Oh no, you must be mistaken.' Said Pro. _____. 'It is very _____. Now who knows the spell against it.' _____ raised his hand. He said, 'Isn't it 'Aclomonus Ecotomus?'" 'That is correct!' Said Pro. _____. Pro. _____ continued on about how to defend yourself against _____ Electronics _____ and lots of other silly things. Every question Pro. _____ asked, _____ answered and got it correct. When class was over, _____ said, 'Wow _____ We didn't know you had it in you!' 'Yep, i wish every day was like this. Didn't you hear he was actually only a sub?' _____ spoke up. 'Oh no, i can't imagine what tomorrow will be like.'
