The Monsters Under the Bed

Once upon a Event there was a tween named First name. Pronoun stopped believing in her wonderful imaginary friend First name. Pronoun then rejected her. She started living under all beds as the boogie Noun. Whenever someones Part of body Part of body Part of body etc. is hanging off the bed Pronoun would grab it and pull you under into the boogie Noun. She started to believe in her imaginary friend again and everything went back to normal. But if anyone stops believing in their imaginary friend then don't hang off your Noun or start believing again.
