A Weird Day

One day there was a Adjective person. He liked to Verb and eat Verb. Name needed a job as a Name but he had no Noun. So he walked out of his Dwelling and slipped on a marble. He hit his Body part and started to sink. He exclaimed Exclamation, and went to sleep. When he woke up, he was in a Exclamation. He said Adverb 'Lleh eht tahw?' and became an illiterate Insult.
