Just chillin'

One day I was just chillin in my bathtub. Then a spider came that wasfeet tall up my
Noun . It Noun me alive. I was in the spiders Noun when I saw some thing weird ahead
. It was my friend She was All I could see was her and then she
was I then saw a something weirder. There was atube ahead. Itlike
a slide, but it wasn't. I wasuntil I was in someone elses bathtub. All I did was just chill in that
bathtub.
THE END.
