Noun (plural) both alike in dignity,
In fair where we lay our scene,
From ancientbreak to new mutiny,
Where civil blood makes civil hands unclean.
From forth the fatal loins of these two foes
A pair of star-cross`d Noun (plural) take their life;
Whole misadventured piteous overthrows
Do with theirbury their parents` strife.
The fearful passage of theirlove,
And the continuance of their parents` rage,
Which, but their children's end, nought could
Is now thehours` traffic of our stage;
The which if you withattend,
What here shall our toil shall strive to mend.
