# Inbreeding

The trouble with inbreeding is that sometimes it can have \_\_\_\_\_Adjective\_\_\_\_\_results! my father is my  
\_\_\_\_\_Family member (aunt grandpa 2nd cousin etc.)\_\_\_\_\_'s \_\_\_\_\_Family member (aunt grandpa 2nd cousin etc.)\_\_\_\_\_and my mother is  
actually my \_\_\_\_\_Family member (aunt grandpa 2nd cousin etc.)\_\_\_\_\_because of this I turned out kind of \_\_\_\_\_Adjective\_\_\_\_\_. So  
naturally when I grew up I married my \_\_\_\_\_Family member (aunt grandpa 2nd cousin etc.)\_\_\_\_\_. We had a baby and named it  
\_\_\_\_\_First name\_\_\_\_\_. Boy oh boy was it messed up. It had \_\_\_\_\_Number\_\_\_\_\_fingers and a whole bunch of extra  
\_\_\_\_\_Body part (plural)\_\_\_\_\_! Ooops!
