Oh my, look at that bat!

Lilly and James were in the basement and they saw a Adjective Adjective bat in the corner.

Lilly screamed and ran. James poked it with a Noun that was on the ground.

'Mum!!!' James yelled when the bat started chasing him.

Their mum came into the basement and saw the Adjective Adjective bat and stabbed it with a Type of knife? Knife. Lilly ran in and saw as the Adjective Adjective bat multiplied in to Number.

Their mum told them to leave the basement and she locked the door and the Adjective Adjective bats were looked in there forever.
