Mr. Incredible's Tragic Death

I got a Noun for christmas. It was December 17, 2006 on Sunday. Mr. Incredible was Adjective and wanted to Verb on his Noun. It was really Adjective. Mr. Incredible started jumping up way high and I warned him and said 'You better not jump too high, or you might go over the Noun and land in the Animal plural yard. He didn't listen. Then, a Adjective thing happened. He jumped so high that he went over the Noun. I watched in horror, not knowing what to do. I looked through the Noun and saw a Adjective sight. A same animal singular was chewing on Mr. Incredible's Body part. He appeared to be eating it. I just gave up. Then the other Same animal singular went into it's house. Then, the other Same animal singular went into it's house. At about 11:00 A.M., Mr. Incredible's body was recovered. His Body part was completely chewed up and half of his Body part had been chewed off. Mr. Incredible was taken to be buried. Mr. Incredible was one of the most Adjective superheroes ever.
