iCarly Theme Song

I know

you see

somehow the Noun will change for me

and be so Adjective

live life

breathe air

I know somehow we're gonna get there

and feel so wonderful (that's what she said)

It's all for real

I'm

telling you just how i feel

So wake up the Plural noun of my nation

It's your time to be

there's no Noun unless you take one

every time you see the Adjective (ending in 'er') side

of every Noun

Plural noun are meant to be

so give me your best and leave the rest to me (that's what she said)
