Make up Sex

You know how it is when you have a _____ Noun with your lover that leaves you _____ Noun with _____ Noun only to turn into _____ Noun later? Isn't it interesting how wild and intense the sex can be? That happened to me last night.

My boyfriend and I had an argument. But after the apologies, I thought at first that we wuld just go to bed. I figured well atleast wouldnt go to bed upset with each other. But then I decided that I would rather the two of us go to sleep _____ Noun and _____ Noun.

So I _____ Noun my _____ Noun and _____ Noun his _____ Noun until it was rock hard. Then I after i rinsed him off I gave him a blow job job that left him tingling breathless. I always love it when he returns the favor. I laid on my back and _____ Noun my _____ Noun wide for him. He didnt waste any time as he dove right in, _____ Noun and _____ Noun until my body quivered and my honey flowed beyond control.

We did it in all of our favorite positions ranging from me _____ Noun him while he pulled on my sensitive _____ Noun to my legs on his shoulders while he rammed it hard and deep, to my favorite...doggystyle. I love this position the most because my boyfriend always gives it to me hard and fast like it will be the last time he'll ever

get this _____ Noun _____.

As always we are both left quivering, breathless and very satisfied.
