What is a Blog?

A blog is short for 'web log', a form of journal keeping on the internet which first began in _____Year by a guy named _____First name _____Name of a person. People write blogs about their daily activities, problems, commentary on President Bush's _____Noun or on _____Adjective warming, or they can write about things like recipes, _____Plural noun or their _____Plural noun. One popular form of blogging consists of posting photographs or videos that they have made while on vacation or funny things that their pet did, like _____Verb ending in ing a _____Noun while jumping 10 feet straight up in the air. Blogs are often integrated into social interaction websites, such as Myspace and Yahoo 360. In Yahoo 360, for example, you run into people with names like _____Proper noun _____Adjective Man, and Lady of the _____Noun. You can post your photos of your recent vacation to _____Location or even your very personal _____Noun poetry. There is a section where you can write reviews of your favorite _____Proper noun Album or restaurant serving _____Adjective food. You can share lists of your favorite books, music, _____Plural noun and _____Plural noun. For example, if you were interested in _____Noun you'd be able to attract other people who like to do that. So it's about sharing your interests and discussing your everyday problems and making friends. It's really _____Adjective you should try it!
