One day my Adjective buddy came to my house unexpectedly. he was really Adjective and asked if i wanted to go for a Noun. i was also Adjective so we went at it. he immediatley stuck his Noun in my Noun and Past tense verb at it like he had never before. he Past tense verb me over, i bent over and he stuck his Noun in my Noun. he Past tense verb in and out constantly. it felt Adjective. he then went down on me, Verb ending in ing me with his unusually Adjective tongue. i then put my Noun around his Noun and gave him a blow job. then he went back to Verb ending in ing in my Noun. i orgasmed and then so did he.
