The Fat Kid

Once upon a time there lived a boy who was very Adjective. this Adjective kid was
Adjective every day because everyone made fun of him. so one day the Adjective kid went to one
of the Noun and told them that he A candy A candy A candy A candy
A candy A candy A candy A candy but the Noun only yelled
Adjective at him and told him to 'Deal with it' .

And now our story today is over the story of the Adjective kid.
