Bite Me Obama

One day i saw barack obama on the Noun . he was wearin a shirt that said bite me. so i saw some of his bodygaurds and i looked Number ways before i went up 2 him. then i go behind his Body part and i bit his shirt off his back and ran away with it like a Animal would. so he yelled, 'get him, get him' and i threw the shirt back at them and took off. a few years later, i saw him again and he had a shirt on that said dont bite me. i went up behind him again and bit the back of his Body part and took off running. his bodygaurdes yelled imma get him 4 u mr.president. so i finally lost them. then, 5 years later, he actually became president and i saw him riding in a Type of car . the Type of car said, anyone who comes 100ft close is dead. so i went up to the Type of car and said, Greeting , then the bodygaurds came out and out me in a t-shirt. then they bite off the shirt and chased me down the block. i think u know wat the shirt said!!!!
