I Met A Boy

Once I met a boy named _____ Boy's name. First I thought he was really _____ Adjective, with his
_____ Color hair, _____ Different color eyes, and pierced _____ Body part. But once you get to know him,
you'll think he is really _____ Adjective and _____ Adjective. But when my friend _____ Girl's name (not yours)
met him, she was all, ' I am so in love with him! OMG!! I have not met anyone so _____ Adjective in my life! '
So they started dating and before ya knew it, they were talking about getting married! I was a part of the
wedding.....which was not the nicest wedding ever. But now they are living together happily with their
_____ Number children.
