The Evil Potato

The Evil Potato

Creek! I _____Past tense verb_____in the so called haunted mansion on 21st street. Once I was in the _____Adjective_____ _____Adjective_____house, the door _____Past tense verb_____shut behind me. I was starting to get really _____Emotion (past_tense)_____. This was a horrible dare my friends did to me.

In the _____Location (common)_____room were cobwebs on all of the pieces of furniture. There was also a _____Noun_____that had _____Past tense verb_____off of a table.

In the _____Location (common)_____were more cobwebs and shaddered glasses, plates, and bowls. There was utencils everywhere.

In the _____Location (common)_____there was MORE cobwebs. I opened the _____Something that you can open_____.

_____Something you scream when you scared_____!' I shrieked. There was a potato was googley eyes glue on it. And for some odd reason the potato wasn't rotten. I figured that if it wasn't rotten then it must have been evil. So I did what I had to do.

I brought it home and made french fries out of him. THE END!
