The garage sale.

I was walking my	one day when i saw a garage sale, at a weird-looking	Number	story

A <u>Body part</u> in a jar.			
A close-line full of dirty Article	of clothing .		
A half-eaten			
A broken Noun Number Color	Animal .		
A little boy was selling choppedup	Food on ice.		
And, in the end, i couldn't help but	buy them all.
