Becoming_a_Good_Teacher

It used to be that being a good _____
Noun_____meant you simply had to be a/n _____
Adjective_____person. If you
were willing to _____
Verb_____your community, be attentive to both your spouse and _____
Plural noun_____ and be a
/n _____
Adjective_____employee, you certainly would have qualified as a good teacher.

But honestly, when classroom effectiveness is judged by the teachers own _____
Adjective_____characteristics, and
not measured by _____
Noun_____achievement, how would we know if a teacher is really getting the job done?

Student performance is both _____
Adjective_____and critical to assessing current teaching methods.
