Crush By: David Archuleta

I hung up the Plural noun tonight
Something happened for the first time
Deep inside it was a rush, what a rush
Cause the possiblity
That you would ever feel the same way
About me, just to much, just to much
Why do I keep on from the truth?

I ever about is you
You got me, soAdverb
And I just got to know
Do you ever think when you all alone
All that we can be, where this thing can go
Am I crazy or falling in love
Is it really just another crush

Do you catch you breath when I look at you

Are you holding back like the way I do
Cause Γ ve tried and tried to walk away
But I know this aint going away-ay-ay
Going away-ay-ay
Has ever crossed your mind
When were, spending time girl
Are we just friends, is there more is there more

See its a chance weve gotta take

Cause I that we can make this into
Something that will last, last forever, forever!
Do you ever think when your all
All that we can be, where this thing can go
Am I of falling in love?
Is it really just another crush?
Do you catch your breath when I look at you?
Are you holding back like the way I do?

Cause Ive tried and tried to walk away
But I know this aint going away-ay-ay
Going away-ay-ay
Why do I keep frome the truth?
All I ever think about is you
Youve got, so
And I just got to know

Do you ever think when your all alone

All that we can be, where this thing can go
Am I crazy or falling in love
Is it really just another
Do you catch your breath when I look at you?
Are you holding back like the way I do?
Cause Ive tried and tried to walk away
But I know this aint going away-ay-ay
Going away-ay-ay

Going away
Going away-ay-ay
Going away-ay-ay.
