I think I'll stop babysitting

It was my first babysitting job EVER, and i wanted to make a good impression on the parents so i dressed up in

my Adjective Store jeans and top and headed on down. When i got there the parents left and it

was up to me. I made the little boy Plural food for dinner and layed him down in his Child tv show

beadsread. Apperently i fell asleep in the chair just 5 Measuring unit away from his bed, because as i

opened my eyes, something was missing... my Clothing I didn't just scream, i started Verb ending

in ing back and forth. The kid was gone!! And so were my clothing Grabbing a Noun to rap

around me i sprinted out to look for him. As i exited the room a Noun hit me, and again i was asleep.

This time i awoke in a Room. My Body part were chained away from me, and my

Body part to the floor. I This boy started Inapropriate agresive act ending in ing me and removing my

Clothing I Verb and kicked back but he just kept going, now taking off my Under clothing.

He stuck his Part of face into my Body part Thank god i was fired.
