# Bad Luck at Softball

strongGabby:strongAnother tough loss \_\_\_\_\_ Plural animal but some detective work

reveals the source of our bad luck: Lauren's \_\_\_\_\_ Plural noun 1. She's agreed to \_\_\_\_\_ Verb them for this week.

strongLauren:strong JUST FOR THE RECORD....and I think he'll agree and back me up here (or at least he better).... I believe that last weeks bumble of a game was ALL Scott's fault! He made some crack BEFORE the game even began about how he didn't have a good feeling about \_\_\_\_\_ Adjective \_\_\_\_\_ Plural noun 2. Right Scott? Back me up here kid! Clear my name and my poor defenseless \_\_\_\_\_ Repeat plural noun 1 as they have both been dragged through the mud by one Gabby Peterson..... ;)

But, if my \_\_\_\_\_ Repeat plural noun 1 are THAT offensive...yes, then I shall 'hang em up' just to set some minds at ease.

strongScott:strong It's true...I did tell Lauren that I had a bad feeling about the game a few minutes before the first pitch....BUT....what I didn't tell her was that my bad feeling had NOTHING to do with \_\_\_\_\_ Repeat plural \_\_\_\_\_ noun 2 and

EVERYTHING to do with her \_\_\_\_\_ Adjective \_\_\_\_\_ Repeat plural noun I \_\_\_\_\_. Looking back, I should have demanded she take them off before the first pitch was thrown. Things might have been different out there.

Please, for the sake of the team...hang 'em up!
