Phone Sex I

Phone sex can be a relationship-saver. It is often difficult, but gets easier with practice. Turn off the lights, put on

some Adjective music and create an environment that sets the mood, which could even mean

Verb ending in ing Plural noun.

Here are a few words that will help you and your partner get in the mood:

- Your voice makes me Verb.

- I love when you put your Noun in my Noun.

The next time I see you, I'm going to Verb.

- Is that a Noun in your pocket, or are you just happy to see me?

.
