The twilight Saga Part 1 twilight

'How _____Adjective_____are you?'

_____Age_____, he answered promptly.

'And how long have you been _____Same age_____?'

His lips twitched as he stared at the road, 'Awhile', he admitted at last.

'Okay', I _____Adverb ending in (ed)_____ pleased that he was still being honest with me. He stared down at me with watchful _____Part of body plural_____ much as he had before when he'd been worried that I would go into shock. I smiled wider in encouragment, and he frowned.

'Don't laugh but how can you come out during the daytime?'

He laughed anyway, 'Myth'

'Burned by the sun?'

'Myth'

'Sleeping in coffins'

'Myth', he hesitated for a moment, and a peculiar tone entered his voice. 'I can't sleep'

It took me a moment to absorb that, 'At all?'

'Never', he said, his voice nearly _____Adjective_____. He turned to look at me with a _____Adjective_____expression. His golden _____Repeate same body part_____held mine and I lost my train of thought. I stared at him until he looked away.

'You haven't asked me the most important question yet.' His voice was hard now and when he looked at me his _____Repeate same body part_____were cold.

'I blinked, still dazed, 'Which one is that?'

'You aren't concerned about my diet?', he asked sarcastically.

'Oh', I murmered, 'that'

'Yes

that', His voice was bleak, 'Don't you want to know if I drink blood?'
