worst road trip ever

years ago me and my friends, _____ First name _____ First name were driving to _____ Location for a
_____ Event _____. As we were driving we _____ Adverb hit a _____ Animal _____. It dented our _____ Adjective _____
mini-van that we had borrowed from our friend. We were very _____ Past tense verb _____ but not hurt at all. The
problem was we had large amount of _____ Noun _____ and we needed to hide it before the cops arrived on the
scene.

Officer _____ Name of a person _____ searched the car left and right but only found old _____ Adjective _____ Plural _____
_____ noun _____ and some _____ Noun _____ paraphernalia.

He offered us a ride to the chapel and we hopped into the cruiser.

Turns out he was a time-cop and took us through time to time jail because he knew we had hid the
_____ Noun _____ inside

of the Same animal's Body part.

I wish he would have just come back in time before we hit the same animal so I didn't have to put my hand in there.
