# Ringleader

Once upon a time, there was a Adjective Noun named Bias. He was a Adjective  
Occupation who wandered Country in search of Adjective and Adjective acts for  
the circus ringmaster, Niban/2nd bias. Singlehandedly, he had recruited the Adjective  
Noun the Adjective Noun and the Silly adjective Noun on top of being  
Grandiose title himself, Silly name.

Time as he was performing his regular duties, Bias came across a pair of Adjective  
Animal plural who Past tense verb Plural noun while they were Verb ing Plural  
noun and Verb ing a Animal. Verb ing his Body part he leaned closer to take a  
look and was Violence ed over the Body part by a Adjective Noun.  
Passage of time he awoke Verb ing in a Noun above the Noun. There were  
Noun Surface on all sides, and the next thing he knew, he was falling, falling, faster and from a  
greater height than he had ever imagined.

Right before hitting the Noun he heard a Sound and his Body part Surprised verb  
ed open and he blinked Adverb ly in the Adjective Noun. 'Excuse me, mister?'; a  
Adjective voice questioned. Common question?; When his Body part came back into focus,  
Bias noticed

\_\_\_\_\_ Niban/2nd bias \_\_\_\_\_. 'What are you doing here? Where is the \_\_\_\_\_ Location \_\_\_\_\_?';

By \_\_\_\_\_ Niban/2nd bias \_\_\_\_\_. 's questioning look, he knew it was only a \_\_\_\_\_ Noun \_\_\_\_\_.
