The Gummy Bear War

Every Adjective bear from all over the aisles of Mr. Goods Candy store came Verb over to hear the big speech the leader, The Adjective Gummy Bear, was about to give.

"The sour gummy bear think Pronoun are better than us! So to prove them wrong we are going to battle to see who is best!";

A gasp came from the crowd... then every gummy bear started to prepare for this big war between the none and sour gummy bears! First thing to do was get everyone to a safe place, then saddle up to their trusty gummy worm steeds. Then get the pretzel sticks from aisle 10 for their Plural noun. Then the battle rages forward as the sour gummy bears strike first. At first, the sour gummy bears Verb to win, then the regular gummy bears start to win, but after about a few hours the sun starts to rise and all the gummy bears know then can't be out when the store opens. So after a long hard battle, the gummy bears, sour and none, Noun Pronoun both are the best!
