My Christmas plan

I'm going to enjoy my life at home this Event day. After this Noun was started, I couldn't have any time to take a rest because there were so Number things to do for Number Plural noun Adjective every day. I wanted to get my Noun I thought Christmas is right that day! I made a plan to have Adjective memories for myself. Watching Plural noun making Plural noun and reading Plural noun etc. However I know it is just excuse. I don't have Number boyfriend, so I have to be Adjective in special day! ??.
