YOUR war story

It was _____
_____when your and your squad were heading to the shore of _____bullets flew
everywhere you grew _____as your to best friends _____and _____died
your loaded your _____ready to take on an entire army of _____alone when
you arived on shore you saw dead body of your comrades everywhere your last friend alive _____
stood with you as you marched up the shore shooting every _____you saw your
commanding officer was a _____but he always had a plan he told you
and few other _____to sneak around the enemy _____and ambush the enemy
from behind, you and your commrades went around a few of you were shot and kileld but you and the rest of
you each thew one _____grenade in the door killing all the _____after
you gained control of the fort you shot in the air meaning you had took control of the fort after countlss
_____of fighting the _____were all but defeated but so were the
_____left standing against _____
_____after about _____more days of fighting you and your squad killed the
last of the enemy but only _____remained your commanding officer was
dead you were the leader of the last troops it was your next move... To be continued.
