YOUR war story

It wasw	hen your and your s	quad were heading to	the shore of	Country you hate	bullets flew
everywhere you grew _	Sad stupid etc.	as your to best friend	SFirst name	and Fi	rst namedied
your loaded your	weapon ready to	take on an entire arm	y of People of	the country you hate	alone when
you arived on shore yo	u saw dead body of	your comrades every	where your last f	riend alive	First name
stood with you as you	marched up the shor	re shooting every	People of the country ye	ou hate you	saw your
commanding officer w	as aSwearwork end	ing in ing Swear	wordbut he a	lways had a p	lan he told you
and few other	ole of your country to	sneak around the ene	my House towe	retc. and a	mbush the enemy
from behind, you and y	our commrades we	nt around a few of yo	u were shot and	kileld but you	and the rest of
you each thew one	Type of grenade g1	renade in the door kill	ling all the	People of the country	you hateafter
you gained control of t	he fort you shot in t	he air meaning you h	ad took control o	f the fort after	countlss
Days weeks etcO	f fighting the	People of the country you hate	were all but de	efeated but so	were the
People of your country	Number	People of your country	left standing	against	Number
People of the country you h	ateafter about _	Number more	days of fighting	you and your	squad killed the
last of the enemy but o	nly Number	People of your country	remained yo	our commandi	ng officer was
dead you were the lead	er of the last troops	it was your next mov	e To be contin	ued.
