Some dead presidents

I went to school and there was some dude who works for Obama he said he needed a job.I went home and there were like _____ Number dead presidents in my home.Mom explained but I didn't let her off of the hook.This was her story:

These dead presidents need a home the white house broke down.I told her I almost got shot at _____ Location because I gave a wrong answer plus this dude who works for

_____ President's name Jason you'll have to sleep outside the dead presidents want to use your room.If the white house broke down only president Obama should be here.I know that's why they rose from the dead.

I'm going to my friend's bye mom.

When I got there there were like _____ Same number dead presidents in his house to.Apparently from Canada.
